### HMM 163 (REIN)

On January 28th, HMM 163 (REIN) was treated to a Family Day aboard the USS Boxer. Our families enjoyed a cruise of the San Diego Harbor, a tour of the ship by their Marines and Sailors and interacted with numerous static displays. A surprise visit by three Evil Eye helicopters was one of the highlights of the day!

On February 5th HMM 163 (REIN) will celebrate a Warrior/Family Day with paintball, a delicious BBQ and some fun in the sun. As we say our goodbyes this month and begin to count the days until their return, we ask that you keep our families in you thoughts.

Hi! I'm Nancy Mettler. My husband Andrew is a Marine and recently checked in to VMFAT-101. I'm originally from Rhode Island and he is from Georgia, where eventually we both went to and met at Georgia Tech. Go Yellow Jackets! We moved

here from Meridian, MS and expect to be here for about 4 years. We love wine, and cooking or eating great food. We're both happy to be back in a city with professional sports and are always up for a Padres game!

### Ahoy, me Hearties! From the Raider Ladies of VMGR-352

In the C-130 community, groups of Marines are sent out on detachments to support operations around the globe. The Marines of VMGR-352 are on somewhat of a rotating deployment cycle, and typically, the entire squadron does not deploy together at once. During the last thirteen months, the Raider wives of VMGR-352 have said many good-byes. Many times one wife will be saying goodbye to her husband, as her friend's husband returns, but whether our Marine is home or away, it is always a time of celebration and thrilling to see families reunited when each group returns.

The most recent homecoming took place on Thursday, February 3rd. Sixteen Marines from the OEF Afghanistan Detachment were welcomed home from at about 10:30 pm. The remaining portion of the Detachment is expected to return home soon.

We would like to share with you photos from a few of the many homecomings we've celebrated in recent months.
